Milton Youth Hockey is proud to be able to offer a Scholarship program to our members. The aim of this program is to provide financial assistance to families, within our organization, in order for their child or children to play hockey. A priority for this program is to maintain strict confidentiality regarding requests for Scholarships.

Here's how the program works:

1. If you are interested in applying for a scholarship, please complete the enclosed application.
2. Mail completed application to MYHA at the address listed above.
3. **Scholarship application must be postmarked no later than October 1, 2013**
4. The Treasurer will receive and number both the top and bottom portions of the applications. The names, addresses, and phone numbers at the top of the application will be removed and kept by the Treasurer. The Treasurer will provide the Scholarship committee with only the bottom portion of the application. The Treasurer is NOT a member of the Scholarship committee.
5. The Scholarship committee will meet after October 1, but prior to first skate, to determine who will be awarded scholarships and the dollar amount to be awarded. All applications will be reviewed thoroughly and awards will be determined after assessing the needs and situations of all applications presented.
6. Recipients will be notified by the Treasurer prior to first skate.
7. Invoices for first skate will be modified to reflect a credit for the scholarship amount.

The amount and number of scholarships awarded is determined by the amount of money budgeted for scholarships for the current year, the number of requests received, and the total dollar amount of the requests received. Amounts awarded may change from year to year. Scholarships are awarded on an annual basis and submitting a completed application is necessary to be considered for each year.

Volunteerism is an important component of the program. Recipients of scholarships will be expected to help out with MYHA fundraisers including raffle ticket sales, wreath sales, the Christmas tree stand, Calcutta, etc. **Past participation in fund raising will be a key component in consideration of scholarship requests.**

If you have any questions, comments, or suggestions regarding the program, please feel free to contact Lorie Barnier at 999-8964 or barnfly7@comcast.com.
